

Editor's Message

As the Editor of the Journal of Clinical Orthopaedics, I invite researchers and clinicians to submit their original research articles, reviews, and case reports for upcoming publication. Our journal aims to provide a platform for the dissemination of high-quality orthopaedic research and clinical practices. We are pleased to announce that we have applied for DOAJ indexing, which will enhance the visibility and accessibility of the published work. This initiative will not only benefit the members of the Bombay Orthopaedic Society by showcasing their research but also help in gaining recognition within the global orthopaedic community. We look forward to your valuable contributions the journal edition

Thanks to Dr Mohan Desai, Dr Gautam Zaveri, Dr Sanjay Dhar Dr Anoop Dhamangoankar, Dr Dhiraj Sonawane, Dr Arvind Vatkar and Executive council members and all authors for there contribution for this edition. Special Thanks to Dr Ashish Phadnis and Dr Ashok shyam for there guidance and contributions for this edition of journal
